Located @ Buckskin, Indiana

Dear Citizens

The National Veterans Memorial is being expanded to honor all of our country's service men and women--past, present, and future. We wish to honor these courageous men and women in a way that has never been done before in our country's history, by having a memorial that recognizes each person who has ever served in America's Armed Forces both during peace time and in times of war.

To build this memorial, we need your help. We are introducing a campaign called the **Dollar Blitz**. Our project does not receive any state or federal funding, so we are depending on people like you to help us raise the funds necessary to expand the National Veterans Memorial. We are asking each person to donate just one dollar to this project. Each dollar collected will go a long way toward the completion of our dream to expand the National Veterans Memorial.

We appreciate whatever support you can give us for this project at this time. The goal is to honor and recognize our veterans. Contributions can be mailed to National Veterans Memorial, at 8837 S State Rd. 57 Elberfeld, IN 47613. You can also visit us on the internet at www.nationalveteransmemorial.org

Thank you for supporting the **Dollar Blitz** campaign and the National Veterans Memorial project. Please feel free to copy this letter and distribute to your family and friends.

Sincerely
James G. Henager
Chairman
